Re: C00075820 - February Monthly Report (1/1/99-1/31/99)

Dear Ms. Wilkens:

- Attached, Please find an amended February Monthly Report (1/1/99-1/31/99) for the NRCC. The beginning cash balance was changed due to an amendment of the Year-End Report. Line 18 has been corrected to reflect the actual total as itemized on Schedule H3. The "purpose" of the debt(s) owed to J&H Marsh & McLennan has been corrected.
- You have stated that Schedule H2 indicates fundraising activities, in which the committee participated, however, there were no corresponding disbursements reflected on Schedule H4. The committee has always reported all active programs and events on Schedule H2 regardless of the specific disbursements or lack thereof, in that period. This has been the policy of the committee in order to maintain consistency and clarity in the public record.
- You have stated that event year-to-date calculations for code 313-325-405 are incorrect. We have reviewed our filing and run additional code disbursement reports and we have confirmed that the total reported is correct. Attached, please find copies of the itemized disbursements for your reference.
- You have requested that the committee provide summary pages for the non-federal contributions and expenditures (Schedule I). This committee has never filed Schedule I with the Commission, as it is not part of the code. The Commission has confirmed to us in the past, that the Schedule I summary pages were not required information under the Federal Election Campaign Act.
